

Creating extra room has never been easier

The Kamaroo

Starting from \$14,600*

With attractive sliding doors providing generous access, the Kamaroo is the perfect place to set up those larger items that can be difficult in a standard home. The 6m x 4m model boasts sufficient room for an 8ft pool table, or plenty of space for your own home gym.

A corner window ensures plenty of natural light and ventilation, making your new space a bright and airy place to enjoy.
